CAREER OPPORTUNITY

Job title Red Seal Journeyman Electrician
Start date As soon as possible

We are hiring! If you know of anyone who might want to join the team - please share!

We are looking for a Red Seal Journeyman Electrician who is a hard working individual. You will play an important role in residential HVAC electrical installation. Electrical knowledge, attention to detail, communication and a positive attitude will contribute to the overall success of this role!

Responsibilities

- Performs installation and wiring of electrical and controls for all types of heat pumps, primarily in residential applications
- Completes work within a reasonable time frame
- Completes service records accurately and on time
- Must be able to work with a team or independently
- Follows safety protocol and comply with safety and occupational standards
- Understands the importance of customer service
- Communicates with customers and administrative staff
- Maintains a positive attitude

Requirements

- Valid drivers license
- Clean abstract
- Red Seal Electrician License
- Safety certifications are an asset (First Aid, Fall Arrest, WHMIS, etc)

What to expect from Presidential Ventilation

- Full-time, permanent hourly position
- Competitive wages based on experience
- A long-term career with training and improvement opportunities
- Medical, vision & dental benefits
- Life insurance
- Retirement plan
- Yearly tool & boot allowance
